## Objective

I hope to exceed expectations for any position I fill, and be part of a knowledgeable team of professionals that will help to provide a service to the community that we can be proud of. I want to grow through education, training and experience while performing my duties to the best of my abilities.

## Experience

### Allpoints Broadband

**September 2014-September 2016**

Service technician and tower maintenance climber inherited from Loundoun Wireless after company merger occurred. My job duties consisted of installation, correction and repair of broadband service, on-call duties, network monitoring, detailed record keeping and network upgrades to both customer home subscriber units, repeater sites and tower access points. My job duties grew as the service area expanded and I was a crucial part of a fast growing local company providing service to both homes and businesses in the northern Virginia, West Virginia and Maryland Areas.

### Loundoun Wireless

**February 2012-September 2014**

As a service technician I was responsible for on-site installations and repair of service on both customer homes and towers as well as the construction of repeater sites. Other duties included setting up router for customer, keeping a well stocked and clean work vehicle, performing site surveys, cable running and repair, upgrades and organized record keeping in database.

### Savior Fare

**June 2013- December 2017**

Wedding and event catering services with duties that included load in and load out of equipment for offsite events, food preparation, serving, bussing, horderve passing, pouring and serving wine and champagne. Other duties included, but not limited to, setup and breakdown of table settings, venue clean up, dishwashing, and plating entrees.

### Rasmus Auctioneers

**January 2009- February 2012**

As a project manager I was responsible for meeting with clients to triage potential sale of assets, inventory of assets, photography and preparation of items for online auction as well as the supervision and organization of the inspection and pickup of sold items.
